

# Why Chose us:

Our School can take you from not knowing a single word to fluency. Since 2002, we have experience with many students that have achieved fluency and have gone on to use the language in very practical ways. We use practical exercises to help you move towards fluency. These involve the latest linguistic research and techniques.

## One to One private language classes on Zoom

Everything we do at our school is practical, from just getting your feet wet at the beginning to the highest levels, our program helps you to understand and say what you want to say. Our online class is available at convenient times anywhere. Our Language Center offers courses in a variety of formats beyond the traditional on-campus course.

## Learn with Native Speakers

Regular classes with our qualified native speakers are your best way to become fluent. Face-to-face online lessons get you real-world ready. Learn to sound like a local with native speakers. Master conversational Raja-language with experienced, qualified teachers. Communicate more effectively in professional and social situations.

## Real-time Classes from Anywhere

With the ability to study anywhere, learners can complete coursework at home, a coffee shop, or a library.

## Flexible and easy classroom

Face-to-face learning anytime via an intuitive online classroom. Easiest way to access high-quality, native Raja-language like an in-person class you can plan according to your schedule.

## Effective structured curriculum

Class with real teachers available at convenient times anywhere. Practical, interactive classes based on your interests and goals. Speak confidently.
